

The screenshot shows the LINQ Home Page interface. At the top left, there is a 'PAYROLL' module icon. Below it is a navigation bar with a 'Unit' icon. The main content area is titled 'Payroll' and features a sidebar menu with sections like 'ADMINISTRATION', 'MANAGE EMPLOYEES', 'MANAGE TIMESHEETS', 'REPORTS', 'INPUT', and 'PROCESSING'. The 'REPORTS' section is expanded, showing options like 'Timesheet Report', 'Timesheet History Report', and 'Attendance Report'. A large green graphic with a gear and a dollar sign is visible in the background. The top right corner shows the user's email 'aboerner@linq.com' and several utility icons, including a question mark for the Help Center.

Home Page
Click the module icon to return to this landing page.

Navigation Bar
Click the push pin icon to slide the navigation bar in or out.

Log Out
Click the arrow icon next to your username to log out.

Help Center
Click the question mark icon to access Help Documents, Remote Support, and Announcements

Sections
Click a section to expand and see the associated menu options.

Menus
Click a menu option to go to that screen.

Modules
Click a module icon to switch to a different module.

Reports
Click **Reports** to expand and see the associated report options.
