

Customer Release Notes

MEALS PLUS WEB SPRINT 27—MARCH 4, 2020

This document describes enhancements and corrections for *Meals Plus Web*.

You can retrieve the latest available product documentation from the *Meals Plus* Customer Support website, <https://support.mealsplus.com>.

EMS LINQ, Inc.

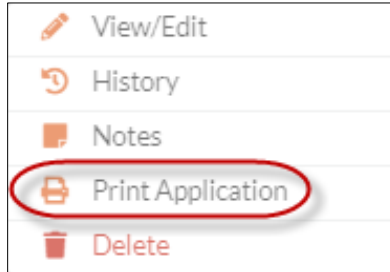

2528 INDEPENDENCE BLVD., STE. 200 | WILMINGTON, NC 28412

Meals Plus Web Sprint 27 Customer Release Notes

New Features

- **NEW! Districts now have the ability to Print Applications from the Cog Option list on the Manage Application grid!**
 - **Active, Deleted and Archived** applications can be printed

- **NEW! Customers now have the ability to apply Free status and a Grace Period for students that have transferred from a CEP school in another district to a non-CEP school on the Manage Application form!**
 - Customers will need to set a **Grace Period** for students that fall into this classification.

The screenshot shows two sections: 'Status' and 'Finances'. The 'Status' section has a 'CEP Transfer' toggle switch (turned on), a 'CURRENT' dropdown menu with '2' selected, and a 'PREVIOUS' dropdown menu with '3' selected. The 'Finances' section contains the text: 'Balance adjustments to this account must be made under Account# 7410'.

Other Enhancements

Menus

Manage Menu

Applied Menu

- **Saving an Applied Menu** in *Meals Plus* will update the menu in *ISITE menu boards* if the menu is linked.
- The **Delete** option has been added to **Cog Option** list in the **Applied Menus** grid.

A confirmation dialog box titled 'Delete Applied Menu' with an information icon. The text asks: 'Are you sure you want to delete this applied menu?'. At the bottom right, there are two buttons: 'Cancel' and 'Yes' (with a checkmark icon).
